REQUEST FOR RECONSIDERATION OF
PETITION UNDER 37 CFR § 1.47(b)

Honorable Commissioner of Patents and Trademarks
Washington, D.C. 20231

Sir:

In response to the dismissal of the Petition in the above application mailed March 11, 2002, Applicant now encloses an executed declaration by the non-signing inventor.

It is noted that this declaration incorrectly identifies prior application Serial No. 08/973,548 as "pending," whereas this application has issued as U.S. Patent No. 6,202,757, and fails to identify prior application Serial No. 09/779,449 filed February 9, 2001. The declaration will be corrected in due course.

Respectfully submitted,
